I'VE GOT TALENT!

9-11 YEAR OLDS

Can you sing? Can you dance? Do you do magic or can you juggle? Can you make them laugh? Do you have talent? Come show your stuff as LCT's instructor will assist you in developing your own WOW factor! This class will help you work on the areas in which you excel and assist in your showmanship as you and your class creates a show not to be forgotten.

_____ 3:00-5:00PM

LIGHTS, SET, ACTION

12 & UP

This class is designed to give students a greater understanding of the theatrical process through the creation of a performance. We begin with a story, a theme, or a concept that they will use to create a new piece of theatre through improvisation, brainstorming, and experimentation. The class will share their creation on the last day.
