TRAVEL FEES

Mileage:

\$1/mile

Calculated as distance from Lexington Children's Theatre (see address above), one way.

*This fee can be calculated as distance from another venue instead of LCT if booked in rep.

Overnights:

\$250/Night

An overnight is required: the night before the first performance if travel time would require the Touring Company to leave LCT before 6:00am the day of the performance; in between back-to-back days of performances; and the night of the last performance if adding travel time back to LCT would create a workday longer than 12 hours or cause the Touring Company to arrive back in Lexington after midnight.

*This fee can be waived if venue provides hotel accommodations.
